Topic of <br> the assembly is Healthy Relationships |  |
| EcoSchools | Waste Audit <br> We completed another successful waste audit at CW. Most of our waste by <br> weight comes from food waste scraps (that belong in the green bin). <br> Unfortunately there is also a lot of untouched food. The Environmental Studies <br> class is looking for ways to expand and promote the green bin program here at <br> the school. A big way parents can contribute is to try to send litterless lunches to <br> school. |  |

| Malia Robin | Seed saving was a success again the year and thank you for the craft fair as a vehicle to share our saved seeds at the SEJ club table. SEJ also raised $\$ 400$ to send to a maternity hospital in Liberia by selling baked goods, crafts and seeds. <br> If you want seeds let me know, there are some left! (Malia. Robin@ocdsb.ca) |  |

If you've never encountered Fundscrip before, it basically works like this: you order gift cards and Fundscrip gives us free money! |  |
| ICP | Congratulations to Evan Freayh who did an amazing job of representing Cairine Wilson, the OCDSB and Canada at the Jeju Youth Forum in South Korea. <br> Evan was one of 4 ICP (International Certificate Program) students from across the OCDSB who attended the 10th annual Jeju International Youth Forum.
