## Parent/Caregiver School Climate Survey (2023) - School Results Summary

**Cairne Wilson Secondary School**

**School Name:**

**Secondary (Gr9-12)**

**District-Level Divisional Comparator:**

### About these results:

The following scores are reported as the percentage of parents/caregivers responding favourably (strongly agree, agree) to questions related to each topic. For most topics, higher scores reflect more positive experiences.

Within the domain of Safety, scores related to Bullying, Sexual Harassment (students in Grades 7 to 12 only), and Discrimination reflect the percentage of parents/caregivers reporting their child was victimized. Higher scores reflect less favourable experiences.

School-level results are shaded to reflect parent/caregiver favourability ratings compared to District-level Divisional results:

**More  
Favourable**

**Similar  
Favourability**

**Less  
Favourable**
