

## **Motion to Appoint Community Representative to CWSS School Council for 2023/2024**

Dear CWSS School Council Members,

I, Les Robinson, Chair of the Cairine Wilson Secondary School Council, hereby propose the following motion to appoint Anne-Marie Dugal as the Community Representative to the CWSS School Council, in accordance with **Bylaw #2 of the CWSS S.C. Constitution: 2023/2024**.

### **Motion:**

I move to appoint **Anne-Marie Dugal** as the **Community Representative** to the Cairine Wilson Secondary School Council, as per **Bylaw #2, Section 4.4 of the CWSS S.C. Constitution: 2023/2024**. The appointment will take effect on **February 1, 2024**, which is the first day of school for Semester #2.

This motion is in line with Board Policy P.014.SCO; Board Procedure PR.509.SCO: School Council Elections, Constitution and By-Laws and the Cairine Wilson Secondary School Council Constitution: 2023/2024.

Seconded by Janine Stewart, Secretary of the School Council.

### **Rationale:**

Anne-Marie Dugal is currently a teacher and Board employee at Cairine Wilson Secondary School, and as per the aforementioned Bylaw #2, Section 4.4, Anne-Marie will become eligible for the Community Representative role on February 1, 2024, following her retirement on January 31, 2024.

The appointment of Anne-Marie Dugal aligns with the principles outlined in By-Law #2, Section 4.4, emphasizing that the community representative should preferably be an Ottawa-Carleton District School Board ratepayer who is neither a parent of a student attending the school nor a member of Board Staff.

This motion seeks the approval of the School Council members, and the appointment will be finalized through a majority vote at our School Council meeting on Thursday, January 25, 2024.

I kindly request your support for this motion, which will contribute to the continued effectiveness and strong representation of our School Council.

Sincerely,

Les Robinson

Chair of School Council
