

CW Clubs 2023/2024

Note:

For the clubs that are on the list, Andrew Solomon has kindly made a basic outline, but if you want to replace that with more of a poster, that would be great.

“If we can target for a 16:9 (or landscape) version of your image, I'll include it in the presentation. I'll get the presentation rolling, but I'll update it as I get new versions of pages” A.S
