

How OCDSB Students Log into OCDSB eLearning Courses

You will need to be able to log into the OCDSB Virtual Learning Environment to access your OCDSB eLearning course when it starts.

1. Please go to the board's website at <https://ocdsb.ca/> and click on the link for the **Student Portal**.

2. Click on the **Login Now** button. You will be asked to log in with your OCDSB email and password.

If you have any trouble logging in, please ask a teacher or guidance counsellor at your school to look up your username and password or to reset it for you. If you can't reach someone at your school, please email vle.support@ocdsb.ca.

3. Once you are logged in, look for the **My Courses** box. This is where the link for your out-of-board course will show up. **Note:** You will not see the course link there until the course starts or just before it starts.
