

## How OCDSB Students Log into Out-of-board eLearning Courses

You will need to be able to log into the OCDSB Virtual Learning Environment to access your out-of-board eLearning course when it starts. *If you have any questions about your course, the email you received to say you were registered in the course has an email contact address on it.*

1. Please go to the board's website at <https://ocdsb.ca/> and click on the link for the **Student Portal**.

2. Click on the **Login Now** button. You will be asked to log in with your OCDSB email and password.

**If you have any trouble logging in**, please ask a teacher or guidance counsellor at your school to look up your username and password or to reset it for you. If you can't reach someone at your school, please email [vle.support@ocdsb.ca](mailto:vle.support@ocdsb.ca).

3. Once you are logged in, look for the **My Courses in Other Orgs** box. This is where the link for your out-of-board course will show up. **Note:** You will not see the course link there until the course starts or just before it starts.
