Teachers will be in a legal strike position on the 20th of April

OCDSB is part of this

It will affect student activities

could be rotating strikes, instead of work to rule, could be a full strike

if there is a strike a lot of info would go out, cannot keep school open

Immediate concerns would be teams, clubs, trips, relay, co-op students

Staff doesn't want Relay to be canceled, hoping for enough parent volunteers

Need to have enough parent volunteers to compensate for possible lack of Teachers

How many parents per child is needed? there is a ratio

Do not want to make Relay a political issue, the bottom line is, it is a community initiative

d. Guest Speaker Hal McPherson

Have been busy with eye screening in the schools

Lions have a van and an optometrist to tour the schools

For Relay Lions will provide the BBQ's and the Chef

Need to have a rough head count

Process has been streamlined

Retired Teacher's have offered to help as well

Let the Board know if you want the Lions to come and screen your school (for eyes)
